Throughout the school year, students experienced the hassles of getting to school and class on time. Those who didn't, met their fate with the crowded parking lot, tardy lines, and eventually the Dean's office. Among other hassles were the long lunch lines and the traffic after school. Students focused their attention on schoolwork and faced the harsh reality of their grades. Seniors returned to school in the fall knowing this was their final year before going their separate ways. Incoming sophomores had to become acquainted with Wolfson, while juniors became a little closer to their goal of graduation.

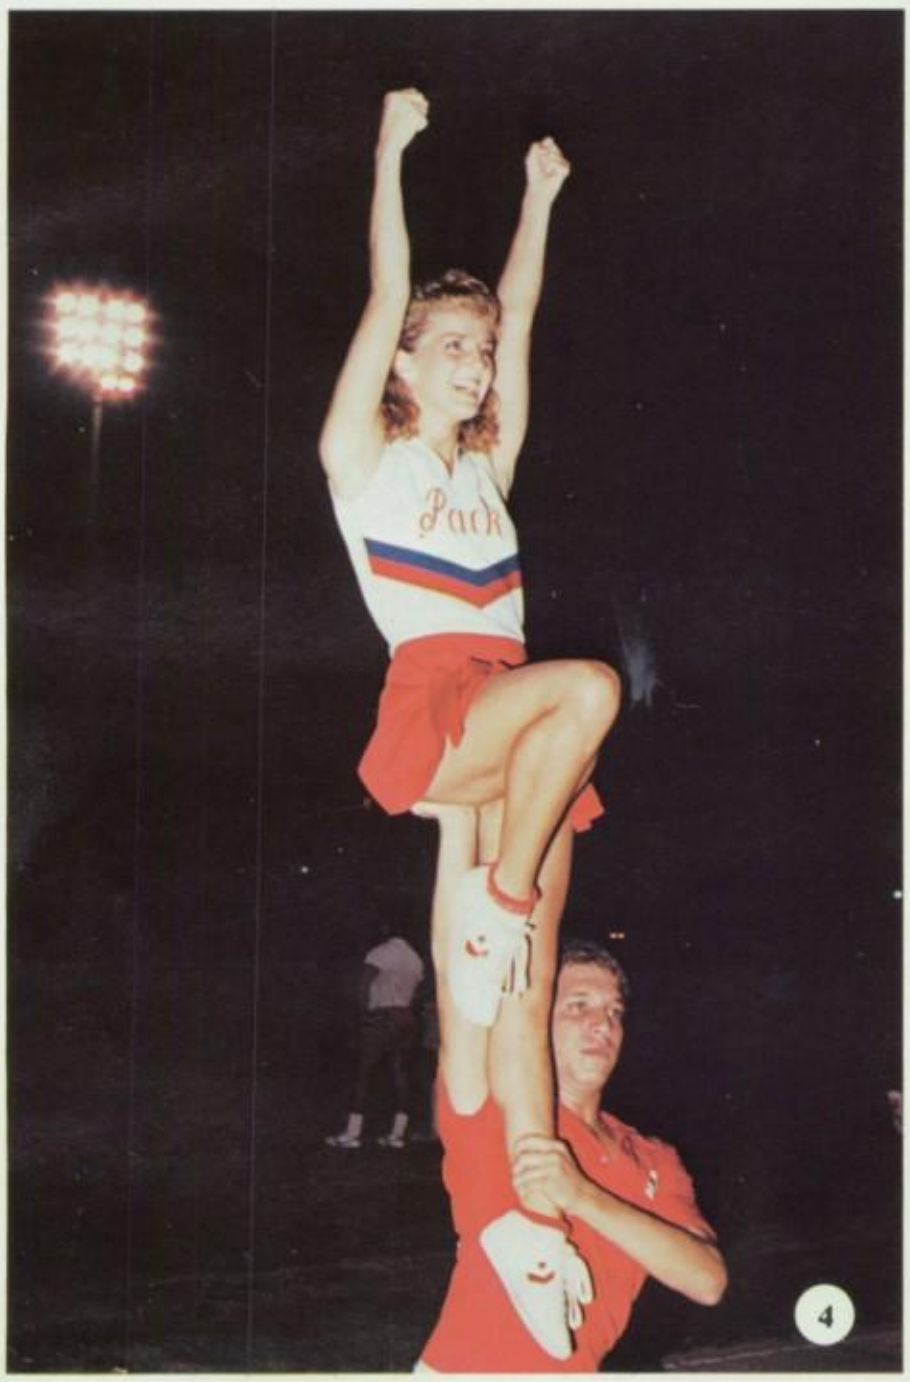
Spirit



As seniors reach their final year in high school, a special kind of school spirit and pride fills the air. Seniors energize and lead the crowd at pep rallies, football games, and other school functions. The seniors' enthusiasm sets an example for the underclassmen. Finally, as seniors focus on graduating from high school, their school spirit is intensified with the hopes of being the best class Wolfson has ever produced.

Develop

1

Developing spirit is an important focus for Wolfson's underclassmen. Sophomores anxiously pick up on school cheers and traditions. The sophomores showed spirit by actively running for class offices and joining school service clubs. Sophomores quickly learn that focusing in on spirit gives a deeper focus to the Wolfson way of student life.

High school years are said to be the best years of a teenager's life. Everlasting friendships, disappointing moments, and school pride are what make the high school years so great. These years are made up of many special moments, and the memories will last a lifetime. As one grows older, high school memories will continue to be a focal point of that person's life.

Student life often requires more than one look before focusing in on what the eye's actually perceived. School life often has two separate sides — creating a "now-you-see-it-now-you-don't-effect." Rhombus caught a "before and after" glance of several familiar scenes.

Wolfson offers a wide range of subjects that enable students to focus on their future career choices. From homemaker to carpenter to nuclear physicist, hopes for the future begin right here.

Hidden Images

Countless people work behind the scenes to make many different activities possible at Wolfson. These hidden faces focus their full attention on such things as broadcasting W.O.L.F., producing the school's publications, directing school programs, and organizing school activities. These were just a few of the things that the devoted workers accomplished that helped to make Wolfson such a success. These faithful and tireless workers deserve much thanks.

An Evening Of Heated Competition

After having performed their talents in the first week of Miss Wolfson 1987, the contestants anxiously awaited the decision of the ten semi-finalists to be revealed. After the contestants performed the group routine dance to "The Heat Is On", they reassembled in their evening gowns for the moment they had all been anxiously awaiting. With mounting tension, the semi-finalists performed their talents once more and, finally, the runners-up and Miss Wolfson 1987 were announced.

HOWL

Wolfhowl was an exciting part of Homecoming Week this year. It began with a medley from the Vocal Ensemble, which was followed by skits from various clubs and an announcement of the Court. Afterwards, the band played and the annual bonfire was lit.

Homecoming Court 1986!!!

The weather was terrible but the crowds turned out to watch the most spectacular display of beauty ever seen at Wolfson. Halftime rolled around, and though the weather had not cleared, the Homecoming Court was presented to the anxious crowd. One by one, the nominees crossed the fifty yardline with their escorts, the tension built to an almost unbearable amount. Finally, the crowds quieted and the winner was announced . . . "The 1986-1987 Homecoming Queen is Miss Piper Lucas!!!"

Week

Wolfson Shakes It Up!!!

All week tension built for the grand finale for Homecoming Week — the Homecoming Game. There were dress up days, a door decorating contest, and a Kick-Off Pep Rally that sent students' spirits flying. Throughout the week, each night spotlighted a different event. Monday night, students hit the pavement for the annual street dance. Tuesday night saw the female Wolfson students battling it out in this year's Powder Puff game. Thursday brought the Wolfbowl which was followed with the bonfire. Finally, Friday came and although the weather was bad which caused our defeat, we all enjoyed the stunning Homecoming Court. Homecoming '86 was the best ever!!!!

TALENT NIGHT

Talent Night, sponsored by the Wolfson Chorus, gave students the chance to perform their talents, ranging from serious to silly, on stage. Master and Mistress of ceremonies were Scott Stephenson and Tina Fuqua. The four categories of competition included vocal, instrumental, lip sync, and dance. A special thanks goes to Vocal Ensemble, Chamber Singers, Concert Chorus, and especially to Mr. Andre Ferreira for a fine job in producing the 1986-87 Talent Night.

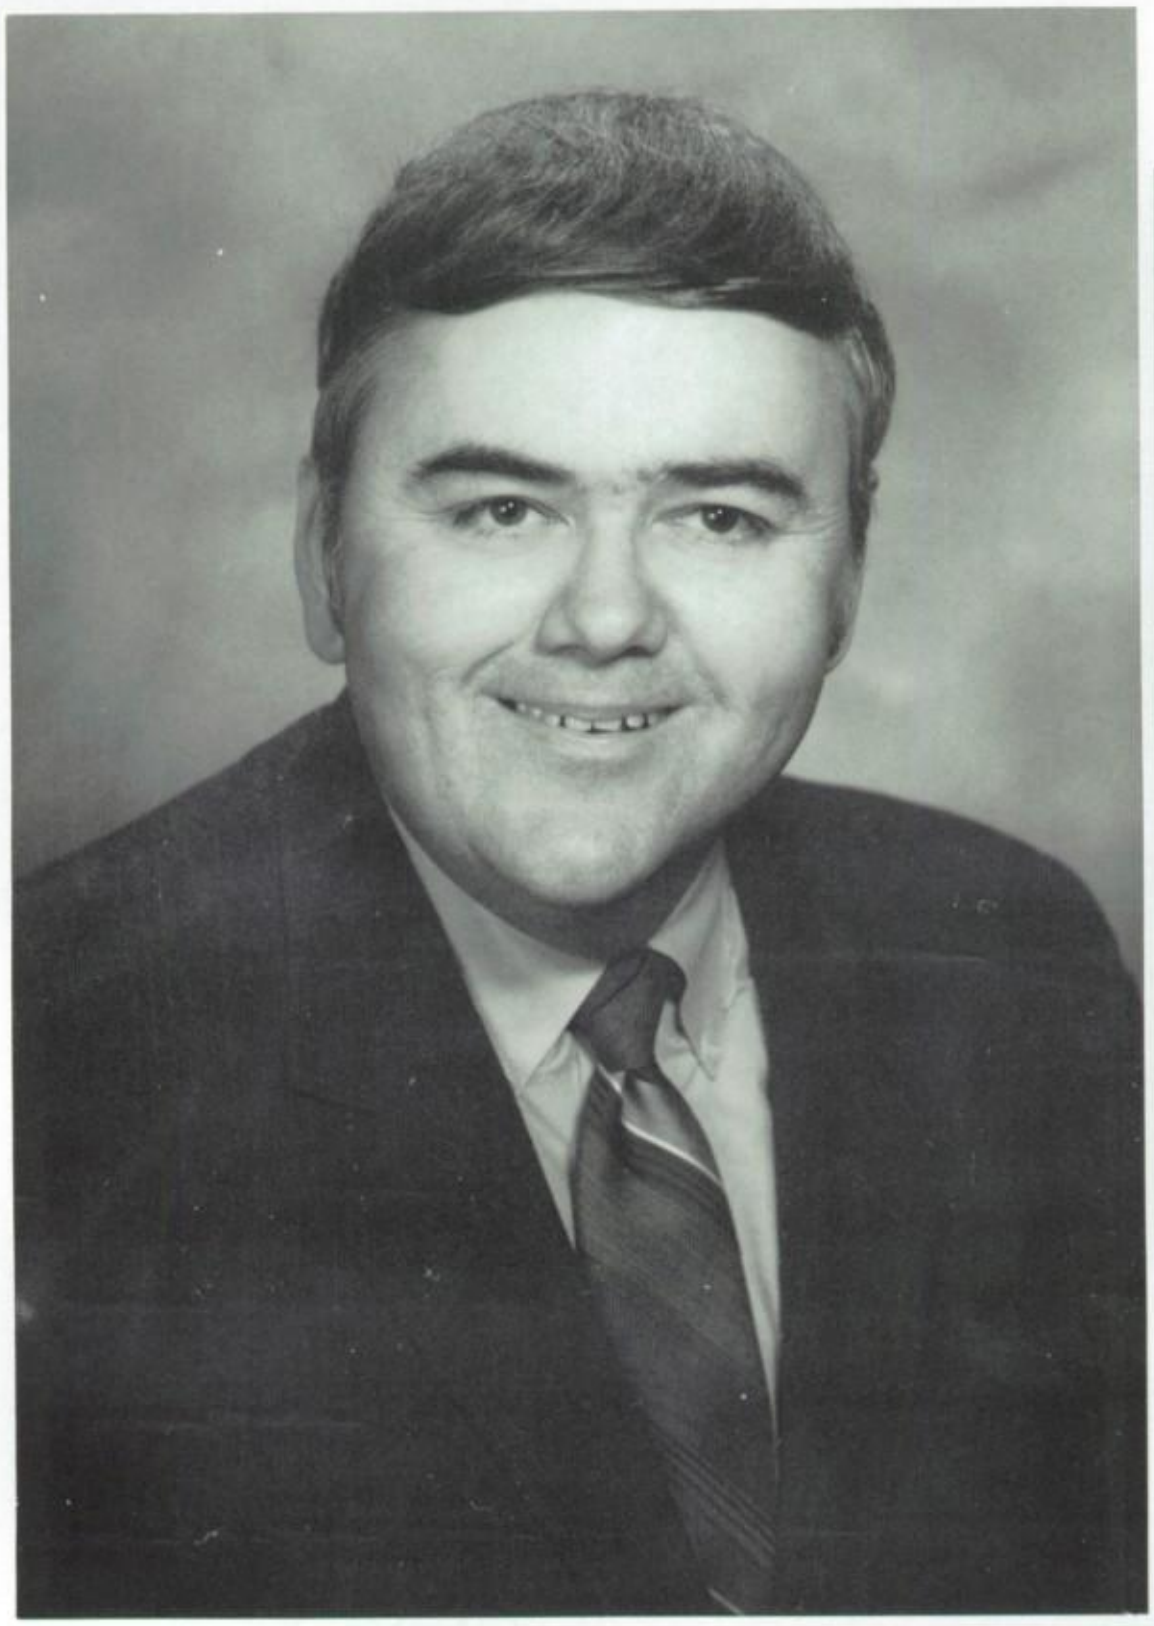
FACULTY

PRINCIPAL



Mr. David E. White

Excellency Through Efficiency

The driving force and head instructional leader of Wolfson High School is our principal, Mr. David E. White. With a wide variety of responsibilities varying from assisting and evaluating the staff to developing and coordinating the school budget, Mr. White successfully and effectively administers Wolfson.

Mr. White's dedication to Wolfson can be seen in the way he encourages all students toward excellence in academics, athletics, and music. He feels tremendous pride in serving as principal of Wolfson and makes that evident to all through his enthusiasm, total involvement, hard work, and long hours. He attends Wolfson functions on a regular basis, home and away, believing in and supporting the "PACK".

Mr. White's primary goal is to create a school climate that will provide an opportunity for all students to develop to their maximum potential. It is Mr. White's hope that each student's educational experiences at Wolfson will provide the foundation necessary for future success.

Mr. White's firm standards and high expectations are reflected in Wolfson's being recognized as one of Florida's finest. All that he does for Wolfson is appreciated.

VICE PRINCIPAL

Miss Miriam Jean Smith

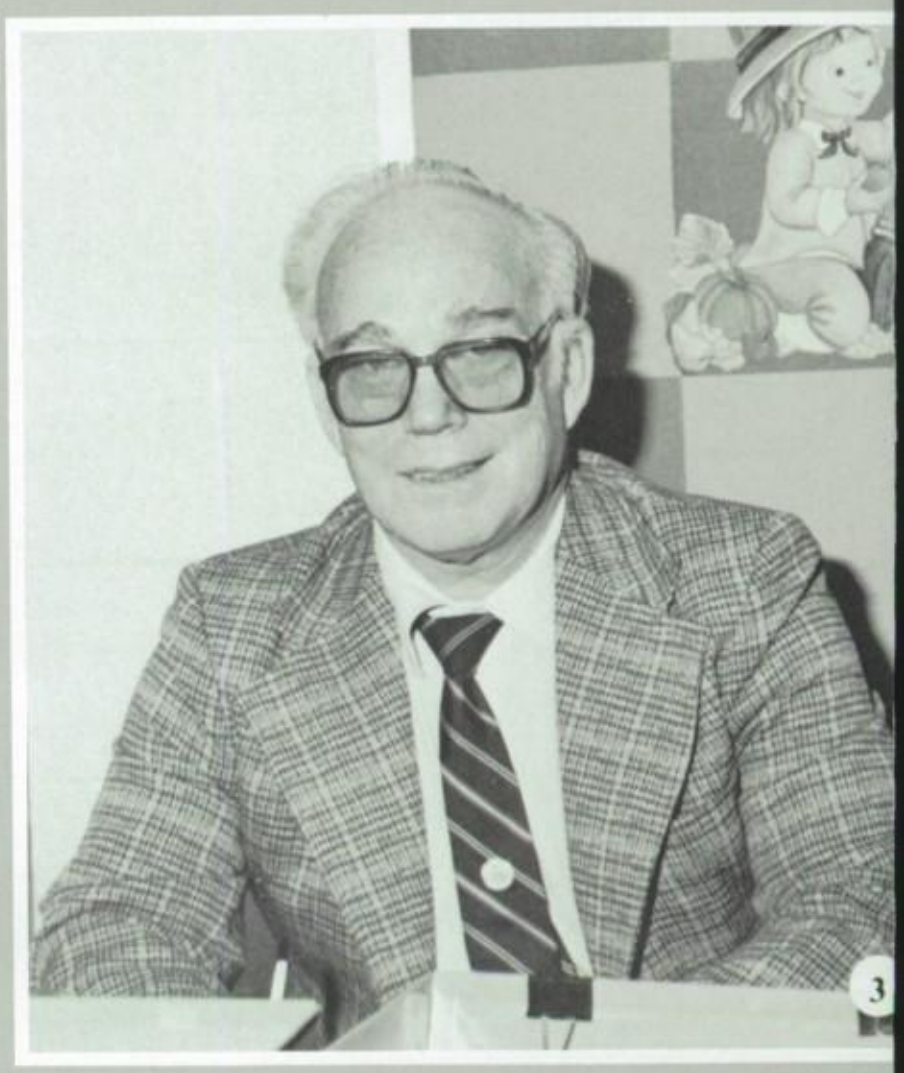
Coordination Through Teamwork

Mr. White's "right hand woman" and assistant instructional leader of Wolfson Senior High is our very own vice principal, Miss Miriam Jean Smith. She and Mr. White work diligently as a team and compliment each other's abilities.

Miss Smith's job is very detailed and touches all areas of the educational program. A few of the tasks she tackles with pride and vigor are: organizing various reports (including FTE which involves Wolfson's funding); serving as principal when Mr. White must be absent; holding conferences with parents, teachers, and students; coordinating the school calendar; working closely with the teaching and maintenance staffs, and observing classrooms.

Miss Smith can be found at many academic and athletic events displaying her school pride and spirit while supporting those students who continually set records which set Wolfson apart from all other schools in Duval County. A very respected and admired lady, Miss Smith's dedication and love for Wolfson are obvious in her bright and cheerful smile and warm personality. Miss Smith is certainly an invaluable Wolfson Administrator.

ASSISTANT PRINCIPALS



Assisting With Pride

As the assistant Principals of Student Services at Wolfson Mrs. Carole Meeks and Mr. Frank Marjenhoff help to improve the school by controlling discipline, keeping attendance, and counseling students. Mrs. Carole Meeks, formerly a teacher at Wolfson has successfully fulfilled her duties as Assistant Principal of Student Services. She guides Wolfson's girls in areas relating to discipline, academic outlook, and attitude. Mrs. Carole Meeks has many secretaries that help her complete various jobs well. They are: Mrs. Anne Anthony, Mrs. Kathy Childers, and Mrs. Linda Dolen.

Mr. Frank Marjenhoff has also strived to assist Wolfson's boys. He aids them in descipline, counseling, and academic progress. Mr. Frank Marjenhoff also has a secretary, Mrs. Calah Campbell, who helps him keep up on paper work, attendance, and schedules. Also included in Mr. Marjenhoff's staff are Mrs. Judy Messer, Mr. Bill Perry, and Mr. George Hamilton. They also help keep things in order and assist Mr. Marjenhoff in completing many duties.

The school's overall effect is enchanced by Wolfson's Deans. Their diligent efforts and dedication help keep Wolfson running smoothly.

CURRICULUM

Organizing Wolfson's Students

As Assistant Principal for Curriculum, Mrs. Rosemary English takes on numerous tasks. She is responsible for the scheduling and leveling of classes, as well as the administration of the Minimum Level Skills Tests. She and her co-workers, Mrs. Elaine Palmer and Mrs. Carolyn Lewis, also store data in the computers concerning students grades. Mrs. English and her co-workers are a vital link between teachers, parents, and the students. Mrs. English, Mrs. Palmer, and Mrs. Lewis are all an intricate part of Wolfson's success.

COMMUNITY EDUCATION

Wolfson serves as both a high school for its regular students and as a community school for adults. Within the community school setting, adults may enroll in classes in a variety of subjects. The community school program is supervised by Mr. Lonnie Davenport. The program operates Monday-Thursday nights from the hours of 7:00 to 10:00. It affords adult students to the opportunity of achieving their G.E.D. or high school diploma. It also provides adults non-credit, self improvment classes. The program is connected with the Florida Junior College.

Lending A Helping Hand

Wolfson's outstanding Guidance Department has grown since last year to improve for Wolfson's enlarged student body. There is one new member of the department, Mrs. Jennifer Mumford. The Guidance Department has been the lifeline of student affairs and handling problems which the students may have. The Guidance Department focuses on student problems and helping students is the main goal of the guidance counselors.

The counselors are also following up on many projects that were started last year. These include: Grief Counseling, the Wolfson Core Team for Substance Abuse, and the Drop-Out Committee. Another goal of the guidance counselors is to help the seniors of Wolfson prepare for their future.

The counselors are very busy following up on projects, but never too busy to talk to a student about a problem or concern. The counselors take much time advising students who are college bound in deciding which college to attend and in assisting the students to prepare applications.

The open door policy of the Guidance Department and the warm, genuine concern the counselors display for the students keep the counselors a much needed and appreciated part of Wolfson.

Keeping Wolfson Organized

Wolfson owes thanks to the ten workers employed on the non-instructional staff. A few of the duties of this efficient staff are: distributing tardies; performing clerical work; fulfilling secretarial duties for the Principal and Vice Principal; receiving phone messages; issuing progress reports; and other tasks required in maintaining an organized school. Dependence on this group of workers is year round and never ending. Without their dedication to Wolfson, many vital functions within the school could not be carried out.

MEDIA CENTER

Collecting The Thoughts

The Media Center is an important part of Wolfson High School. In the Media Center, students can obtain the research materials needed for projects. They may also take advantage of quietness to complete school work. It provides a place for lesiure reading as well.

The Media Center hosted the annual science fair which displayed award winning science projects. In previous years, it has hosted the club fair which enables students of Wolfson to become acquainted with the different clubs of Wolfson.

Ms. Rylant, Head Media Specialist, supervised the third annual superintendents reading program, "Read To Succeed". Offered only in the month of November, it was a way for students, parents, and teachers to earn points and prizes for reading books. This program has considerably increased the circulation of books in the Media Center.

Ms. Beach who serves as the Media Specialist, has implemented a program which encourages students to take advantage of Wolfson's media resources. This program is called "Student Production". In this program, a student can learn to make such visual aids as slides and video tapes. Every month there is a special visual aid class in which one visual aid is taught. This program has been very successful this year. In March, there was a Media Fair which displayed all of the work students have produced. Ms. Beach enjoys teaching the class and sums it up like this, "It is a sneaky way of teaching a student something he or she would not have pursued before."

BOOKKEEPER

Keeping Records Straight

The Bookkeeper's Office is constantly kept busy. Managed by Mrs. Lori Labello, the bookkeeper, and Mrs. Pam Dukes, the bookkeeper's assistant, they handle all of the financial responsibilities at Wolfson. Some of their jobs include collecting money for lost and damaged textbooks, selling yearbooks, locks, caps and gowns, and Senior announcements and handling all of the club accounts. Because the bookkeepers are supported by both the faculty and the student body, their job is made quite a bit easier. They are a much needed and appreciated part of Wolfson High School.

NON INSTRUCTIONAL STAFF

3

Doing What They Do Best

The non-instructional staff is an important part of Wolfson. Mr. Ken English is the school's Plant Mechanic and a friendly face to many students. He does minor repair work to keep the school running smoothly. When the air goes out or a light blows, Mr. English is there to fix it. He frequently has been called to duties which are not a part of his official responsibilities (such as assisting students who have locked keys in a car or have had their car batteries die). No matter what Mr. English displays Wolfson's pride.

Mrs. Joann Jones is the head of the cafeteria. She supervises meal plans, food orders, and organizes the breakfast and lunch program for Wolfson. Students are provided with a variety of hot food items, cold sandwiches and a salad bar. The food at Wolfson is exceptional thanks to Mrs. Jones and the cafeteria staff.

Mrs. Mary Threats is the head night custodian. She and her co-workers make sure the school is kept clean and neat. It is not an easy task to keep Wolfson in top condition as they do.

Extending Education

The Exceptional Student Education program offered at Wolfson provided special classes for some of Wolfson's students. Students with varying exceptional needs were allowed into the program. The students in E.S.E. were provided with individual instruction by the teachers Mrs. Vi Baker and Mrs. Jackie Wyatt.

The Competency Development Program is designed for students who have failed subjects two years or more. Within this program the student is given tutoring and counseling. The C.D.P. student is taught a trade through his studies at the Skills Center.

Wolfson offers Drivers Education to its students in order to teach and to improve driving skills and knowledge. The semester course involves book work, driving range maneuvers, as well as actual on-the-road testing. The program is so through that after successfully completing the course, a certificate of completion may be issued in order to obtain an operator's license from the Licensing Bureau. Instructors Mr. Ray Fooshee, Mr. Jay Pickard, and Mr. Ron Brooks do their best to acquaint Wolfson's students with the rules of the road and to develop competent and skilled drivers through their course, Drivers Education.

It offers Spanish I to IV, French I to IV, German I and II, and Latin I to III. Every year, state contests are held in Spanish, French, and Latin. In the spring, Wolfson celebrated Foreign Language Week which included such activities as the displaying of projects from Level I language students, who competed in Foreign Language Field Day and a poster contest. The biggest event of the year for the Foreign Language Department was Foreign Lanugage Field Day which was held at Ed White High School. Many students from all over Jacksonville competed in this event for various awards. The Foreign Language Department should be commended for a fine job of educating Wolfsons's students in the foreign languages as well as the foreign cultures.

A variety of subjects were taught, ranging from Liberal Arts to Advanced placement computers and A.P. calculus. Also, those students in need of help were provided with special help sessions before school, during lunch, and after school. Two teachers in the Math Department participated in extracurricular activities by sponsoring school clubs. Mr. Barry Felps sponsored Interact and Miss Diane McClelland sponsored the Senior Class and Kappa Omega. It is obvious that in Wolfson's Math Department, the well-being of the student comes before anything else.

Science Department Grows in Size and Knowledge

The science department continued to grow this year, adding the fundamentals of Oceanography to its curriculum. Two new faculty members (Marine Biology teacher, Mr. Eric McClure, and Physics teacher, Mr. Frank Orr) joined the Wolfson staff, bringing the total number of science teachers up to sixteen.

Classes offered include: Anatomy and Physiology, Biology I, Biology I Honors, AP Biology, Chemistry I, Chemistry I Honors, AP Chemistry, Fundamentals of Physical Science, Marine Biology, Physical Science, Physics I, Physics I Honors, AP Physics B, and Fundamentals of Oceanography. All of those courses were also available to students as electives.

Student also had the opportunity to participate in the school science fair. This annual event, which takes places in February, draws most of its participants from the Honors classes of Biology, Chemistry, and Physics. Winners were then enabled to go on to the regional competition. Wolfson is proud of its diverse science department and all of its accomplishments.

Exploring Our Past

Mrs. Frances Brewster heads the Social Studies Department which consists of seventeen teachers. Not only does the Social Studies Department offer a requirement of classes but it includes many electives as well. One such elective is Applied Economics which is taught by Mrs. Pam Basney. This course allows students to experience life from a business point of view. Students engage in producing and selling a product for profit. Another enlightening course taught by Mrs. Candace Waugh and Mrs. Judy Mizrahi is Psychology I. This course teaches students about themselves and about the world around them. With such a dedicated department, Social Studies surely was a very important part of the teaching program for the 1986-1987 school year. Finally, a very warm welcome goes out to Wolfons's new Social Studies teachers, Mr. Delaney Williams and Mr. Mono Edwards.

R.O.T.C.

Establishing Pride

The R.O.T.C., (Reserve Officers' Training Corps), has much to offer the students at Wolfson. The students participate in various programs throughout the year. Some of these activities include: parades, drill team, color guard, and field trips to places such as St. Augustine. The class also gives the student a chance to acquire basic military knowledge, develop leadership skills, learn about military history and appreciate our national heritage. However, the most important aspects taught in R.O.T.C. are citizenship and patriotism. We are very proud of the students and officers who participate in our fine R.O.T.C. program at Wolfson.

Teacher Highlight

Focusing on Devotion

Mrs. Jinky Hicks, Wolfson's student activities director, is an exemplary teacher. Her enthusiasm, dedication, and support can be equaled by few. As well as teaching English IV, she heads peer counselors and student council. She has worked on many committees including the "Say No to Drugs" program and the Grief Counseling Program. In past years she has sponsored Wolfson's award winning cheerleaders.

She keeps long hours, as she goes beyond the "calls of duty" of her job. During the Homecoming Week she can be found on campus, morning, noon, and night-supervising the street dance, rooting for Powder Puff, helping to produce the Wolfhowl, and directing the homecoming pageant. Homecoming week is merely an example of Mrs. Hicks' service. She also chaperones dances, Grad Nite and attends school programs and sports activities.

Mrs. Hicks has become synonymous with Wolfson Pride and is representative of the finest attributes of a truly dedicated teacher who is deeply loved and appreciated by the student body and staff.

Mike Hudson receives a little humorous advice from Mrs. Hicks.

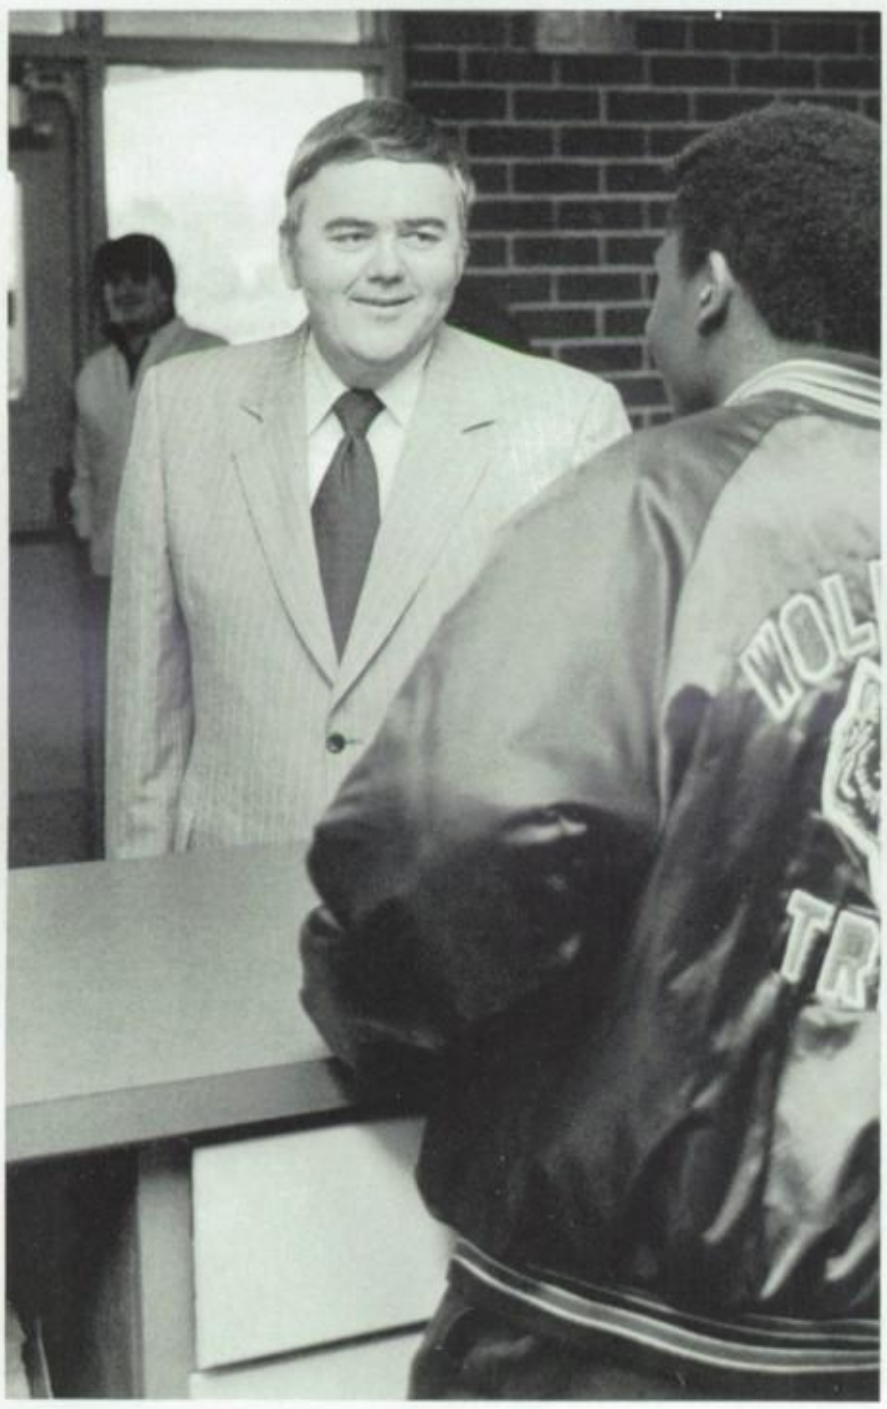
Mrs. Hicks shows the world that winning smile!

Focusing on Dedication

Those associated with Wolfson Senior High School are a proud group. Teachers, administrators, parents, and students know that Wolfson represents education at its finest. Wolfson surely is a model school within a model school system. All areas of school life are above the average-the sports program, the music program, as well as the scholastic program. Wolfson High School is a smoothly run organization with many credentials. Consistently the school has housed prize award winners, National Merit Finalists, top ranking Brain Brawl teams, and math and Foreign Language Field Day winners. Presently at Wolfson, there are 10 advanced placement classes offered. A prestigious 32 seniors at Wolfson have maintained a 4.0 grade point average throughout their years at Wolfson. 77% of Wolfson students plan to go on to college following graduation.

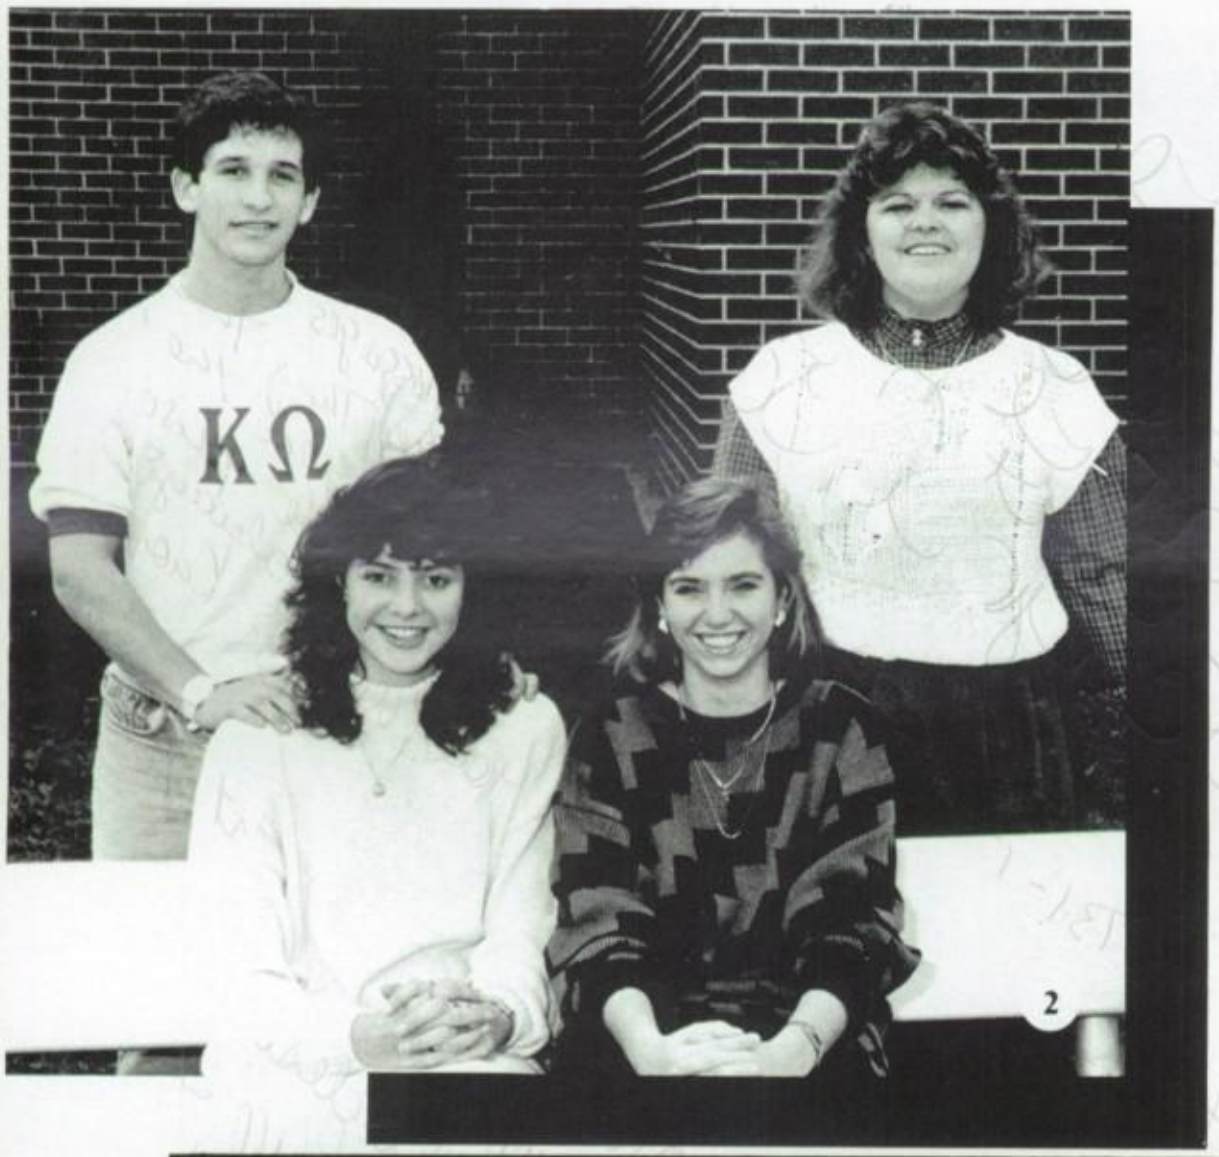
The high standards met at Wolfson are achieved because of the high standards set by the principal, Mr. David E. White. Mr. White directly oversees every aspect of school life and strives for perfection. He sets an impressive example by others to follow. He is typically the first to arrive in the morning and the last to leave at night. Mr. White does not keep a five day week, as he can commonly be found in his office regardless of the holiday or the day of the week. Mr. White's fierce pride and dedication has been the driving force behind Wolfson's steady rise in prestige.

Therefore, it is with great pride, respect, and fondness that the 1987 Rhombus staff dedicates this year's book to our principal, Mr. David E. White.



CLUBS

ICC



The Inter-Club Council is a group of students made up of all club presidents and the officers of the Student Council. Its purpose is to regulate the activities of each club at Wolfson and to deal with school functions and upcoming events that affect the student body. The meetings take place once a month. This year, the ICC played a strong role in getting the clubs involved with the events of our successful Homecoming Week, PTSA membership,Club Night, and National Student Leadership Week. The ICC also votes for "Club of the Year" and "Most Improved Club" based on the performance of each club throughout the year. In conclusion, I would like to thank all of the club presidents for their hard work and cooperation, the officers of ICC for their dedication, and Mrs. Hicks for her undying devotion and support in making this such a successful year.

HOUSE OF REPS

The House of Representatives is a club that consists of a representative and an alternate from each second period. Its purpose is to inform the student body about all school events and happenings going on during the school year. The representatives also help promote school spirit throughout Wolfson. The House put on its annual Basketball Bonanza festivities in which the King and Mr. Legs '87 were chosen. During Homecoming Week, the House made door decorations and banners which were judged. Also, we had a M&M candy sale in order to raise funds. In conclusion, the House of Representatives would like to thank Mrs. Hicks for all the help, ideas, and time she contributed as our sponsor.

The Wolfettes was one of the newest organizations at Wolfson this year. We are a Jazz Dance Ensemble consisting of 13-16 girls that have previously had dance experience. We performed at such functions as Wolf Howl, pep rallies, and special assemblies. Our main performances were at all home basketball games during halftime. Tryouts were held in the spring to select our group of dancers for the 1986-1987 school year. This summer, our plans are to attend a Dance Camp which will teach us new routines. We had a lot of support this year, and are already looking forward to our second year at Wolfson.

SIGMA PHI EPSILON

Sigma Phi Epsilon is a new social/service club at Wolfson. It is devoted to the purpose of enabling students to explore and serve both their school and community. This year, our members worked with underprivileged children, put on one of Wolfson's most "jamminest" dances, participated in several programs at the county level, held several barbeques and socials, and, in essence, made our 1986-1987 school year one of the most productive of our lives. Without the help of our most capable and devoted sponsors Ms. Adams, Ms. Lane, Ms. Mumford, and Ms. Turcotte, none of our ventures would have been successful. We thank you and love you with all our hearts. Also, we must note that membership into Sigma Phi Epsilon is open to every student at Wolfson, and we strongly encourage interested students to join us.

ORCHESTRA

As president of the 1986-87 Wolfson orchestra, I would like to thank the people who made our organization possible. Without the support of Mr. White, we would not have been able to have the class. Next, I would like to thank our director, Ms. Atkinson, for taking on another orchestra class in addition to teaching classes at the School of the Arts and at Landon. Because of her, this year, our orchestra has had the opportunity to perform on many occasions throughout the community. These performances included playing at the Gala opening of the Jacksonville Symphony, performing for the School Board employees at the School Board Building, and combining with the School of the Arts orchestra for several concerts including their Holiday Exravaganza at the Civic Auditorium. Last, but certainly not least, I thank the members of our orchestra for putting in the extra effort to be in orchestra at 7:00 a.m. and for making the sacrifices necessary to prepare the music and perform in the concerts. Thanks to the dedication of these people, Wolfson's orchestra was a success this year and hopefully will continue to prosper in the years to come.

Look, I'm smiling.

The Anchor Club members had much to be proud of this last year. Our official theme from Pilot Club of Jacksonville, our sponsor, was "In Tune With Tomorrow Today", but our own personal theme could have been "Capture the Spirit!" The enthusiasm generated by our members this year was electrifying. Anchor continued its tradition of serving both the community and the school this year with various projects such as helping P.T.S.A. and organizing a food drive for the Food Bank of Jacksonville. Also we spent more time on socials and group activities than in past years. The mascot roast for our Anchor Admirals drew a fantastic response from both nominees and members. I would like to especially thank Ms. Zarka and the executive board — Trina, Heidi, Coni, Katie, Barbara, Suzanne, Kim, and Kelly — for all of their hard work and extra time spent on keeping Anchor's momentum moving forward. To all members: This year has been the best for me since I joined in '85. Best wishes to every one and I hope that Anchor continues in its new found success. "I would rather have it said 'He lived usefully' than 'He died rich'." — Benjamin Franklin.

Amy Wendt

Hey John,
Well, the year is over and we survived AP Biology. Let's try to remember to skip this course in college, o.k.? Thanks for being our mascot in Anchor this year and putting up with our roast and kidnap breakfast. You were so funny "No, let me fed my dog first ... you've been a good friend, especially when we were really studying. I don't do this to me." forget we're doing more than and Paula tried to convince herself that we simply studying biology. Will we see Braun and his fruit flies? Do we really want to remember? Good luck next year and have a great summer chasing the women.

Love,
Amy Wendt

INTERACT

Having a tremendous record to live up to from previous years, Interact followed up the 1986-87 school year in the same tradition of excellent service to both its community and its school. As usual, the annual Interact bonfire at Wolfhowl was a "flaming" success. Working closely with Rotary International, our parent organization, we epitomized the Rotarian ethic of service to the community. Combining a combination of sophomores, juniors, and seniors we united to provide service to Wolfson, usually at a moment's notice. We ended this year at the Interact District Convention where we achieved high honors. Indeed, this year, Interact has once again set high standards for following years to come.

KEY CLUB KEY CLUB KEY CL

Key Club's motto "Get KEYed up!" has served us well. To start our 1986 year, we took in twelve additional members which gave us a grand total of fifty members. Since KEY is an internationally related club, we attend many Zone Rallies and participated in volleyball games against other KEY clubs in the Jacksonville area. We like to think of ourselves as more of a service club than a social one. We all dressed up for Halloween to visit children in Nemours, collected for UNICEF, worked at Special Olympics, helped with PTSA, worked runs, and made food boxes for the Food Bank. How can our car washes and socials be forgotten? They were a Key part of our fun. We showed all our creativity and imagination during Homecoming week with our banner and float. Also, to stick to tradition, we performed "Sleepy Heads" once again for Wolfhowl. My special thanks go to an extraordinary lady, Mrs. Pamela Basney. She put up with so many of our problems and never complained. I'd also like to thank Jill, Laura, Mandy, Jolynn, Dave, John, Stephanie, and Marcus in helping keep KEY "together" and democratic. To all my KEY members — I know you all have the KEY to a great future! You're the ultimate!

Stay KEYed up!

BAND

With a touch of Arabian and a flash of sound, the Wolfpack Marching Band had a great year. We performed outstandingly at the Forrest contest on November 1 and F.B.A. Contest on November 15. But, not to be outdone by the Marching Band, the Jazz Band, Concert Band, and Winterguard also had great seasons. Once again, the Jazz Band performed at the spaghetti supper and various other events, including district contest, in which they made us proud. The concert band also performed superbly at district contest and showed off the Wolfpack sound. Likewise, the Winterguard had a good season with performances in various contests. As in the past, the Wolfpack band ended their season with pride.

Chorus

Wolfson's choruses, directed by Andre Ferriera, have had a tremendous year. They performed for entertainment as well as enjoyment. They also competed in district choral contests and were also involved in a competition held at Six Flags Over Georgia. In addition to all of this, the choruses were very busy performing in many concerts such as the Wolfson Talent Night and the Holiday Concert. This year's program was made up of four different groups: Concert Chorus, Performing Arts, Chamber Singers, and Vocal Ensemble.

Each class performed their own music as a group. Some of these performances included chamber singers, who performed religious and classical music, and the Vocal Ensemble, who performed popular music, were involved with the May sing for a Nursing Home and Superintendent Herb Sang's birthday. A very warm thank you goes out to Mr. Ferriera for all he has done for us and to the students and school as well. You made our year great and memorable.

SENATE

As President of the Student Body, I can proudly say that this year's Senate has been the most enthusiastic and dedicated of any I have ever worked with. No matter what the project, the Senate always came through — with the best results!

The first two months of school included three pep rallies, more than were programmed all of last year. For the first time in years, the Senate put out a student handbook, and sold calendars of "The Men and Women of Wolfson". The Senate also continued its tradition of Teacher-Spotlight and Pack Pride awards. Homecoming Week was the best Wolfson has ever seen! This included The Street Dance, the Powder Puff game, Wolfhowl, and a fantastic Homecoming Dance — all done by the Senate. Thanks to our dedicated leaders and Mrs. Hicks, our sponsor, the Senate coordinated the Duval County Association of Student Councils, and sat as chairman school. We also were electd Vice President of the District which included fifteen counties.

Another plan for the year included an unprecented Spring Carnival. But most of all, the Senate became a backbone in the revival of spirit that hasn't been seen at Wolfson for years! These are just a few of the many accomplishments of your Senate in 1986-1987.

CHI DELTA PI

In 1985, Chi Delta Pi was club of the year! 1986 was another great year with it's own accomplishments. With over 60 members and 10 mascots, our club has grown by leaps and bounds. Chi Delta Pi has made a lasting impression on the community, by helping with the Shamrock Run, the River Run, and collecting food for the needy. Socially, we have enhanced our friendships by having a mascot roast, many socials as well as sponsoring a Halloween Dance with JSA, and a senior send-off banquet.

We have supported Wolfson with our many banners, floats, and skits throughout the year. We have accomplished much in the two years we have existed. We are proud of ourselves and each other. We would like to thank Mrs. Waugh for all of her patience, love, and concern. Without her we would not have been such a success. Finally, to all Chi Delta Pi members and officers: it has been a great year; thank you for your support. It has been an honor to be your club president 1986-1987.

JSA

Junior-Senior Alliance has had a full and exciting year of fundraisers, community and school service projects, and socials. In May of 1986, the old members interviewed nearly one hundred junior and senior girls and chose the 27 that stole their hearts. Before the year was through, the new members had been "kidnapped" and taken to a 6 a.m. breakfast at Shoney's, and attended a good-bye banquet for seniors at Bombay Bicycle Club. The mascot roast in September was a super success as the eighteen nominees entertained the girls with songs, dances, and skits. The eight guys that joined our old mascots, Charlie Chupp and Shane Silver, were Andrew Jaffa, Danny Moses, David Gregory, Alan Ragatz, Mark Cates, Matt Herren, Mike Brannan, and Richard Henderson. Our service projects included water stations for various Jacksonville runs, as well as obtaining 100 percent membership in PTSA. Car washes and J.S.A.'s traditional Hush-a-thon provided the money for the club's third annual semi-formal, complete with D.J. and photographer. I would like to thank all of the members for their support and participation throughout the year. To the officers Amy Mull, Vice-President; Allyson Perry, Secretary; Beth Vanderberg, Treasurer; Jeanine Wood, Sergeant at Arms; and Martha Pinilla, Historian: you are the BEST and I could not have done it without you! A very special thank you goes to Ms. Brewster for all her time and support.

WRITER'S GUILD

Although one may wonder how we get anything done, we do. Among our many accomplishments was our pride and joy; our special baby; the literary magazine. *Trapeze Presents* is a yearly collection of what we consider the finest poetry, short stories, and art the students have to offer. It is the true center of our organization, with five committees to organize it and spend endless hours spent perfecting it. I would like to thank my officers Cindy, Laura, and Jessica, and especially Mrs. MacLean for making it all possible. Not to forget Mrs. Hicks, who had the seemingly impossible task of keeping me from getting the club in trouble.

So that explains "writer's", but what about "guild?"

Well, why not?

And for those who are never satisfied, the magazine was called *Trapeze Presents* because hey, isn't life a circus anyway?

SPANISH CLUB

This year, the Spanish Club had many things to be proud of. We started off the year with a tremendous show of interest. Over 50 people came to see what we were all about at our New Members Social. In October, we threw a huge Halloween party. From there, the enthusiasm continued strong for the rest of the year. I was extremely proud of the changes and improvements this year, but it could not have been done without the great help and support of my vice-president, Melissa Koran, our sponsor Sra. Hernandez, and the entire Spanish Club crew. It has been a lot of work and a lot of fun. I hope everyone enjoyed it!

LATIN CLUB

Lupi Grex Lupi Grex Lupi

The purpose of the Latin Club is to promote and to learn more about the language, civilization, and culture of ancient Rome. This year through our many fundraisers, we have succeeded in sending qualified members to compete in the state and national Latin Forum. Also, throughout the year, we have held many socials and parties that brought our 60 club members closer together. Despite many assertions that Latin is a dead language, Lupi Grex has given a new meaning to the statement "Vivat Linguam Latina".

RHOMBUS RHOM

This year in Rhombus has been spectacular! The editors and the staff were the best that they could have been. I have never seen a group of people that worked together so well and that possessed so much talent. I would like to thank Ms. Jill Johnson, our advisor, for answering all of those questions and checking everything that went into this yearbook. Also, if it were not for my editors, Lisa White, Shannon Spivey, Michelle Peacock, Nanette DeLoach, and Melissa Hannon, I would never have been able to keep my head straight. Finally, faculty and students, without you we could not have produced the 1986-1987 Rhombus! Thanks for all of your support and enthusiasm.

John,
I'm glad you were in my Analyt. class this year. There was never a dull moment w/ you in the class. I wish you the best of luck in college. Have a great summer.

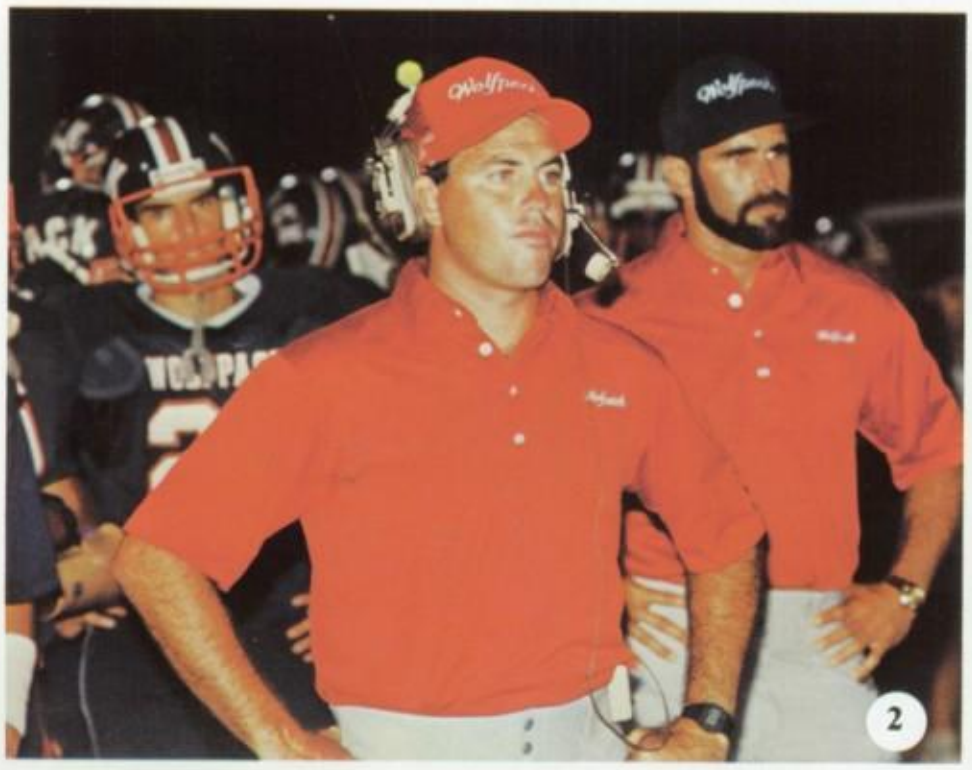
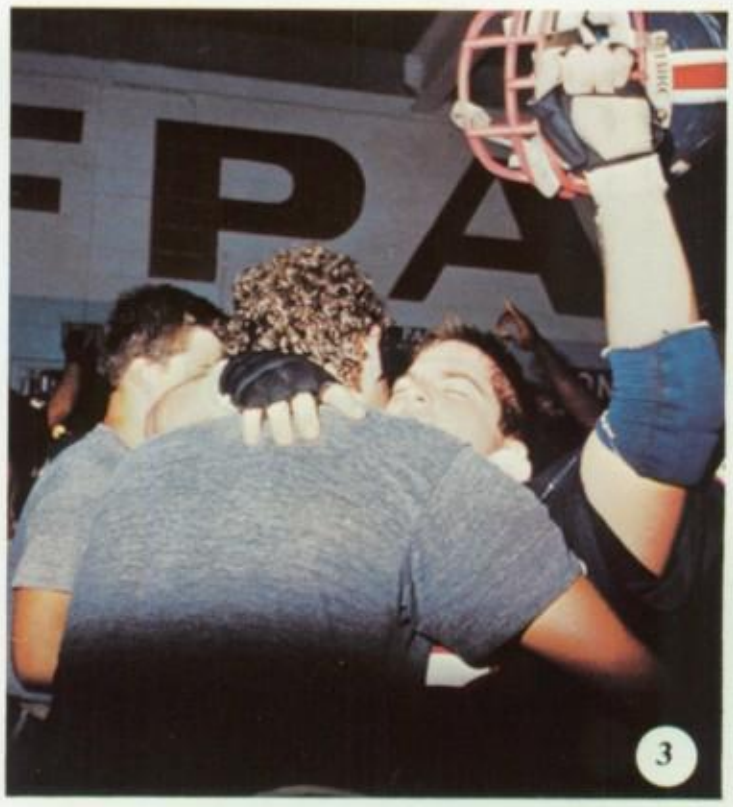
The Varsity Cheerleaders had a very successful year. In addition to showing our support of Wolfson's teams, we also competed in several competitions. These included the Duval County Competition and the IOCC National Competition, which was held in Nashville, Tennessee.

Special thanks goes out to Mrs. Hicks and especially to Mrs. Pat Lewis, our sponsor, for all of their patience and moral support.





PASSING WITH PRIDE!

The Varsity Football team showed much enthusiasm this year. The team practiced long hours and worked hard to get in shape for the season. They practiced their skills after school as well as on Saturdays. Under the new head coach, Mr. Wade Beale, the team improved. A few outstanding players included Lance Barton, Alan Ragatz, Chuck Myrick, Brian Lillard, and Kenny Kirk. Although the Wollfpack's record was disappointing, the team members can hold their heads high knowing they performed their best.

PRIDE OF THE PACK

This year's J.V. Cheerleaders did a great job of promoting school spirit. Under the guidance of captain Michelle Thomas and co-captain Shannon Campbell, they supported the athletic teams of Wolfson. This year's squad also competed in the Cheerleading Championships in Nashville, Tennessee, to determine their cheering ability with other squads. After many hours of hard practice, it all paid off. This year's J.V. Cheerleading Squad was ranked seventh in the nation. The squad also competed in the Duval County Cheerleading Competition on January 17th. Great thanks goes to the J.V. Cheerleader sponsor, Ms. Kelley Turcotte.

STRIVING FOR SUCCESS

Wolfson's 1986-87 J.V. Football team again proved Wolfson proud of its athletic program. Coach Ron Brooks and Coach Mike Teifer led the Pack to a record of 2-5. Although the players did not end the season with a perfect record, their pride and love for football showed up in every practice, workout and play. The team went through rigorous after school workouts which consisted of everything from warm-up exercises to practice sacks and hits in order to fully develop each individual player's skills and potential for up coming games and possibly for next year's varsity team. The players should be commended for doing a fine job in representing Wolfson with all of their school spirit and hard effort. Finally, a big thanks goes to Coach Brooks and Coach Teifer for their leadership and dedication given to Wolfson's J.V. Football team.

PICKING UP SPEED

The 1986-87 Wolfson Cross Country season was the most successful in Wolfson's history. Coached by Coach Paul Nowicki, both girls' and boys' teams won Gateway Conference Championships and advanced to the state finals. Both squads finished among Florida's top fifteen teams.

For the girls', their third conference title and also their third state final appearance in five years. The Lady Pack was led by junior Tanya Clark, who made All-Conference. Junior Rosemary Wood coveted the Captain's Award for exemplary leadership and dedication.

In addition, the boys' team dominated the Gateway Conference. They received four out of seven available All-Conference positions. The All-Conference honorees were juniors, Rob Cowles and Chet Trefry and seniors, Tom Flowers and Brad Miller. The Pack's boys recorded the school's first ever Cross Country appearance in the state finals. Finally, Wolfson hopes that next year's team will continue in the spirit and success of the Pack's outstanding 1986-87 year.

ONE STROKE AHEAD

The Wolfson Swim Team finished out another successful season in 1986. Coaches Mrs. Linda Brim and Mrs. Kathy Steele worked each swimmer to his or her greatest potential. The girls came in first at Conference and District with the boys picking up second place. Every swimmer gave 100% throughout the year, but for the swimmers that went to state, that was not enough. Even though the team did not place at the state swim meet, many personal records were broken. All in all, the team did a commendable job in representing Wolfson.

SET IT UP

The volleyball season was, again, very successful this year. They ended up their season at 9-3. The Wolfson team then tried their hands at the district conference. Again, they were successful, placing 4th in the conference and 3rd overall. The team owes great thanks to the following players: Kim Dungey, Julie Burney, Paula Culbreth, Alice Flynn, Traci Hurst, Tracey Williams, and Susan Hardee. In conclusion of the season, Ms. Delena Johnson said she would like to send three of her players to volleyball camp this summer in order to further improve their skills for next year.

GIRLS SOCCER

GOING FOR THE GOALS

The 1986-87 school year marks the third year for girls' soccer at Wolfson. Because of the team's support for one another and team effort, the Wolfpack was led to several victories this season. Their major accomplishment this year was tying the number one team in the district. Since no other team had ever beaten or tied Orange Park the girls were quite proud of themselves.

Both Mr. Bob Zeiner, the coach, and Steven McCullough, the goalie coach, have donated their time and effort in coaching the girls to make them the best girls' soccer team Wolfson has ever had. The coaches have also been very supportive of both team captains, Kristina Noren and Laura Toth.

LAYING IT UP

Under the guidance of coach Greg Harris, this year's J.V. Basketball team has fared well. With true determination and a large amount of dedication, all aspects of the game came together. All players involved worked hard to develop their individual techniques and talents. By practicing for hours after school with the team to practicing free throws on the weekends with friends, the team struggled to be the best. It can easily be said that this year's team and coach made it possible for Wolfson to have an outstanding 1986-87 J.V. Basketball season.

Some of the track and field events included the shotput, hurdles, relays, discus throw, high jump, and pole vaulting. Being great involves many hours of intense practice. All participants worked hard to be the best they could be. It took much agility and athletic ability to be a member of the track team. This year's team was one of the best Wolfson has ever seen.

Wolfson's baseball team burst into the 1987 season with a spectacular team line-up ranging from first year starters to third year pros. With head coach, Jim Eschen, who has led Wolfson's baseball teams for eight consecutive years, the 86-87 team shows this year as their best year ever. SOFTBALL TEAM BOUND TO CATCH SUCCESS

The Wolfpack Softball team has immense potential and the superb probability of a successful 1987 season. Led by only two seniors during the '86 season, the team rallied to second place in both the District and Conference Championships. This year's team, led by several experienced seniors, enjoys a depth far greater than in the previous year.

In preparation for the upcoming season, the team practices five days a week. Beginning on February 26th, their hard work, commitment, and experience will be put to the test. The results should be astronomical! Coaching this year's softball team for the first time are Coach Wade Beale and coach Steve Brown.

TREND OF THE TIMES

1986 was a year of saying goodbyes and hellos in the music industry. *Wham* gave its farewell concert as George Michaels went solo. David Lee Roth said so long to the Van Halens as he pursued his solo career. Meanwhile groups such as Journey, Genesis, Boston, and Moody Blues joined forces once again releasing new albums after several years of absence. Janet Jackson and other female performers had "control" over their share of the music business. Women in rock hit the charts more frequently in '86 than ever before. Picture 1: Genesis' "Invisible Touch" became quite visible via their sell out tour and top ten record. Picture 2: Sammy Haggar helped Van Halen's 5150 become the group's first number one album. WOMEN IN MUSIC

LADY LIBERTY COMES TO LIFE

After 2 years and a $75 million dollar makeover, Miss Liberty was ready to greet her country. To celebrate the century-old statue, America put on the grandest fourth of July bash ever. Thirty-three naval vessels, 22 tall ships, and a 40,000 boat flotilla sailed into New York's harbor. The harbor later exploded into a 28 minute light show that was, in the words of New York mayor Ed Koch, "the best fireworks since Nero set Rome on fire." Other attractions were 5,000 homing pigeons, 75 exuberant Elvis look alikes, President Reagan, and six million other happy onlookers.

But in a year of turmoil, explosions often had a far more deadly significance. Terrorists' attacks through Europe and the Middle East into panic. A nuclear reactor blew up and a Space Shuttle was lost. Meanwhile people began fighting back against old enemies. A war on drugs was declared. Millions participated in "Hands across America" to combat and fight world hunger, while hundreds of people marched coast to coast to protest nuclear weapons. Above all the turmoil, bright spots still appeared: memorable weddings, and unforgettable World Series, and a once-in-a lifetime visit from Haley's Comet.

GOIN'S ON

CAUSES FOR CELEBRATION

Caroline Kennedy, who captured America's heart as a little girl romping through the White House, married Edwin Schlossberg, a New York businessman and artist in Hyannis Port, Mass., on July 19, 1986.

Britain's Prince Andrew married the red headed English commoner, Sarah Ferguson, in July at the West Minster Abbey in London. Andrew is the queen's second son and fourth in line to the throne.

John McEnroe, the tennis pro Americans love to hate, wed Tatum O'Neal, only 10 weeks after she gave birth to their son Kevin Jack. Another top notch wedding was Dynasty's Heather Locklear and Motley Crue's Tommy Lee. The bridal industry reported that celebreties lavished more than 10 million on nuptials. But with the all-time low marriage rate — not even 1 out of 10 eligible women between the ages of 15 and 44 found a mate — these people deserve to celebrate. May they all live happily ever after.

THE THRILL OF VICTORY

Miss Kellye Cash was crowned the new Miss America for 1987. Miss Cash is the grand niece of country star Johnny Cash from Nashville, Tennessee. She received the crown from the 1986 Miss America, Susan Akin.

After one of the most celebrated World Series in this decade, the N.Y. Mets pulled off a dramatic win over the Boston Redsocks.

Another top dog in sports is Jim McMahon. He has mooned a helicopter, written his autobiography, made a video, and has done more for headbands and for his wife than sitting bull. Along the way, this quarterback led the Chicago Bears to their first NFL Championship in 23 years. These were just a few of the causes for celebration this year.

STARS OF THE SILVER SCREEN

Box office greats of yesteryear made way to new faces. The likes of Meryl Streep, Robert Redford, Jane Fonda, Sally Field, and Paul Newman appeared at local theaters, but the stars of a new who dominated theater attendance were the stars of a new generation. The Oscars honored the more distinguished members of the film industry. The Academy Awards went to: Geraldine Page for "A Trip to Bountiful;" William Hurt for "Kiss of the Spider Woman;" and best picture, "Out of Africa." Movie goers awarded their favorites at the box offices.

Picture one: Eddie Murphy toured his act and completed the sequel to Beverly Hills Cop. Picture two: Tom Cruise proved to be no "risky business" to the movie industry becoming the number one male at the box office with the success of "Top Gun." Picture three: Rob Lowe became a local hero by filming his follow up to "About Last Night" in St. Augustine. Screeching fans had something to brag about when they spotted him in popular night spots around town. Picture four: Molly Ringwald showed crowds she was "pretty and pink." Picture five: Sylvester Stalone dominated box office with Rocky IV, Rambo, and Cobra. Picture six: Whoopi Goldberg made an impressive debut in Steven Spielberg's "The Color Purple." Picture seven: Michail J. Fox broke into the big screen by going "back to the future", and becoming a *Teen Wolf.*

STATE OF AFFAIRS

President Ronald Reagan and Soviet leader Mikhail Gorbachev met in October in Reykjaivk, Iceland, for a two day summit to discuss arms control. The two leaders reached an impasse on testing of the U.S. Star Wars weaponry. The broadest tax overhaul in a generation was signed into law by President Reagan in October. This bill cut taxes for most workers, while eliminating some prized deductions, and boosting the tax burden on many corporations. Rep. Dan Rostenkowski, an Ill. democrat, headed the House tax overhaul delegation. Also, Senator Bob Packwood, an Oregon Rep., headed the delegation from the House.

DEADLY SITUATIONS

Picture One: This is only a small part of the turmoil that went on during the past year. On September 6, two Arab terrorists stormed Istanbul's main synagogue, killing more than twenty worshipers with sub-machine gun fire. When the police finally arrived, the terrorists detonated hand grenades killing themselves instantly. Picture Two: Libya felt America's wrath when U.S. Air Force and Navy jets attacked five targets inside the Libyan border under the cover of darkness in April. This was President Reagan's response to what he called the "monsterous brutality" of Libyan backed terrorism. Among the targets was the Libyan naval academy, pictured left, located in the suburb of Tripoli.

STATE OF AFFAIRS

Picture One: After twenty years of ruling without serious challenge, Phillipine President Ferdinand E. Marcos was forced from office because of charges of corruption and scandal within his government. The new President, Corazon Aquino, was faced with political and economical turmoil. Picture Two: Genradiy Zakharov, a Soviet U.N. employee was arrested on a subway platform in New York City, and charged with spying. Just one week later, an American journalist, Nicholas S. Daniloff, was arrested on the streets of Moscow and was also accused of spying in the Soviet Union. Both men were released within weeks, and the entire affair set the stage for a Superpower Summit meeting in Iceland.

WOLFSON NEWS IN REVIEW

The 1986-87 school year brought with it many changes. School hours actually changed to 7:55-2:55. Parking rules changed where grade point average was an issue and sophomores could not drive to school. The tardy policy now allows 5 tardies. Only 7 days of school can be missed per 9 weeks this year, instead of 9 days. A big help to students who are missing credits is the new zero hour classes that run from 7:00 to 7:50 every morning. Also, homeroom was eliminated except when needed.

Picture 1: Wolfson's crowded parking lots encourage carpooling. Whitney Vaughn, Heather Bennett, Amy McDonald, Tracy Antone, Tracy Hodges, Shelly Szaro, and Kelly Elefante take full advantage of this idea. Picture 2: College rivalrys are hot at Wolfson. After the 31-19 victory of the Gators over the Bulldogs the tardy office shows its spirit. Picture 3: Wolson's tardy policy encourages fitness as Demetrice Blackshear returns to school from lunch. Picture 4: The new Wolfson Wolfettes are getting ready to dance at halftime. Picture 5: Students are ecstatic after Wolfson's football team broke its losing streak with its win over Englewood 10-7. Picture 6: Stacy Simms was the 1986-87 Miss Wolfson, and she also captured the title of Jacksonville Junior Miss.

"She died happy, loving, and caring.... She did all this, and it was returned."
—a fellow student.

Susan Joy Smith
9/13/69-9/29/86

Dear Students,

As Susan's parents we can proudly agree with the above quote. Susan gave of her inner resources where she found faith, love, and encouragement from God. You, too, have demonstrated your love through the care you extended. Susan reaped a harvest of wonderful friends, to whom we will always be grateful. We will hold in our hearts the following memories: Your letters of remembrance, the food, flowers, messages, hospital vigil, funeral home visitation and funeral attendance, the phone calls, visits to our home — all this by you and your kind parents. We deeply thank you, for all those expressions strengthened us.

While you were helping us, we know you also experienced sorrow and missed Sue. Our daughter greatly valued you, and so do we. Our lines of communication will always be open, and we hope to hear from you as new doors open in your life.

Our best wishes for your happiness and prosperity.

Sincerely,

Charles and Midge Smith

U.S. Choice W D Brand Beef
...enjoy the Big, Bold Goodness of the West!

Nothing compares to the taste of a U.S. Choice steak or roast from Winn Dixie. We carefully select our beef from heavy western corn-fed livestock, and age it naturally for tender, juicy perfection. Then it's expertly cut and trimmed for the best flavor and value.
You can see the difference, and taste the difference. No other beef sold is quite the same...or quite so good.

In Memory of Susan

I cannot say, and I will not say
that she is dead. She is just away!

With a cheery smile and a wave of the hand,
She has wandered into an unknown land.
And left us dreaming how very fair
her needs must be, since she lingers there.

And you — oh, you, that has begun to yearn
for that dear sweet smile and her quick return.
Think of her as better off, as dear
in love of there as the love of here.

Mild and gentle, as she was brave
With the sweetest love of all, her life she gave.
The touch of her hands have strayed
as reverently as her lips have prayed.
With that cute voice we all have heard
to the look of her eyes with which
our hearts has stirred.

Think of her still as the same, I say:
"She is not dead — she is just away!"

Love always,
Michael Baker

Joey, Bruce, Jerry,

"Getting into Focus" was taken very literally by the 1987 *Rhombus* staff. Each aspect of school life depicted in the yearbook received special focus. Regardless of whether the page was as prestigious as theme or as unglamorous as index, each staff member worked with his assigned page as if he were creating a masterpiece.

The *Rhombus* staff would like to offer much appreciation to: Wolfson's administrators for being so supportive; to those fabulous Bryn Alan photographers for their patience, talent, and time; to the teachers who understood necessary tardies and days out of class; to all department heads for supplying needed names and information; to Mrs. LaBello for keeping us straight with our bookkeeping and for working with Mrs. Dukes in selling our books; to all of the ladies in the front office for handling our mail and phone calls, and meeting our "public", before sending them through; to Mr. Hughes for running copies for us even when we failed to give him notice; to Mrs. Klein for tables, advice, and for her part in our "surprises"; to parents who understood long hours; to Mrs. Buening for her quickness to volunteer when help was needed; to Mike Cady for his encouraging words; and to each and every staff member for his or her time, dedication, love and good sportsmanship.

We carry with us memories that only we can share. We wept and prayed together when we lost Susan; we learned by our many mistakes; we developed our artistic talents by our "Ecological Bulletin Board"; we laughed when we shared gum and when we learned how one "can have her cake and eat it, too"; we rejoiced when we achieved the perfect cover, layout, or idea; we anxiously awaited proofs; and sweated out the arrival of the book . . . DID WE EVER!!!

At last, the finished product . . . To our critics, we ask that you keep in mind we are a student production. We began the year with 22 novice staff members. To our supporters, the members of the Wolfson student body and faculty, it is with great pride we give you our "GETTING INTO FOCUS" Edition in hopes it keeps the year, 1987, in focus throughout the years to come.

John,
Hi there! It's been a real blast getting to know you in Trig. & A.G. this year! You're a really sweet person, and I wish you the best of luck in your future. Keep a positive outlook, and always remember that "it's gonna get better!" Thanks for being a good friend, and have a great summer!
Love,
Kimberly

John,
Well... umm... well... what can I say? There's so much we've been through this year with Analytic Geometry & Trig. - It never ceases to amaze me that you can explain something to me perfectly, & yet fail a test!! It truly puzzles me - but then again some puzzles aren't meant to be figured out. (Oooh, how profound!; just joking!) Anyway, you've really been a great friend & I'm glad to have been able to know you. Life enrichment has been mine!

John, Hey it has really been great getting to know you better this year. Be sure to remind Mrs. Epps only to go through hardships in Euclid and Biology. I really appreciate you sticking up for my beautiful writing. I hope you have great prosperity in the future! (Boy, does that make sense or what!) Always wear a kind heart and you have a very wealthy person. Take Care, Love

John,
Yo Bud, well the year is over and it's time to act like adults. Yuf anyway! Geez. was quite an experience. Mr. Edwards is a pretty cool guy. I hope your summer will be a total blast and the rest of your life a success! Stay sweet!
Lovlya,
Wendy

Dear Jean,
At least you can parler francais, you smut. Good point. I am just kidding. I has been knowing you, you snob. Was happy to hear you are just as wild & stupid as I. I am in Bio. I will really miss you. If you want to visit I'll be in Jennings. Geez, it's cool. Luck, mon ami. Je t'aime. Andee
K. T. 399-5924

continuing... After all the agonizing, I'm thrilled that you are actually graduating! For a while there, I wasn't sure, but I had confidence in you!! Really, I did!! Anyway, I know that you will do well in the future because you are one of the most intelligent people I have ever met. (no kidding) Not only do you have brains and wit, but charm as well. (Now isn't that sweet???!)
